

December 22, 2003

TO: USCSSA & SSSA Conference Call Participants

FROM: Tom Sims, President, SSSA, Jim Culver, USCSSA

SUBJECT: Agenda for December 22 conference call

Please accept my apology for the delay in sending out the agenda for today's conference call. The main purpose of this call is to follow-up on our "roundtable" meeting in Denver and to begin developing some specific plans for joint activities in 2004. Specific items to cover will be:

1. Survey on needs of professional soil scientists (Margie Faber)
2. Comments on "roundtable" in Denver and plans for Seattle 2004 annual meeting
3. Certification of professional soil scientists - changing role of SSSA
4. Smithsonian exhibit and state soils
5. National Cooperative Soil Survey Conference
6. Field Soil Scientist" web site
7. Other items

Thanks.

Dr. Tom Sims

T. A. Baker Professor of Soil and Environmental Chemistry

Associate Dean for Academic Programs & Research

Director, Institute of Soil & Environmental Quality and Delaware Water Resources Center

College of Agriculture and Natural Resources

University of Delaware

Newark, DE
